**VOLUNTEERS.**

*Died May 27 1864*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the act of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment endorsed on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier those statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and Land Agent must be entered on the musterroll on which the discharge, death, desertion, &c., is reported, as well as on the final statement, otherwise the amount will not be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

Camp Chase Mo. Jan. 12<sup>th</sup> 1863.

Capt Wm F Martindale of the 24<sup>th</sup> Regiment Mo Vol Infy, having requested me to examine him, I find that he suffers from the effects of an incised wound of the right foot, the extensor tendons of the 1<sup>st</sup> & 2<sup>nd</sup> toes having been severed, - use of the foot is materially impeded by the resulting wound, rendering ordinary marching painful, and long marches quite impracticable. I find also a large bunion on the right tarso-metatarsal joint of the great toe, which causes much suffering and renders long marching unendurable.

In my opinion this Officer is physically incapacitated for the performance of the duties of his office, and should in justice to himself and the Government, be allowed to leave the service

Respectfully

*Private Reuben F. Mason co*  
*B. D. H. Reg't of Missouri Inf't*

**VOLUNTEERS.**

*Died April 9, 1864*

NOTE 1.—Two of these certificates (or duplicates) are to be given to each Volunteer Soldier or drafted man who may be discharged previously to the discharge of his company, that he may at once receive from the Paymaster the pay, &c., due him, and the captain or other COMMISSIONED officer commanding the company will certify to the net of the delivery of the duplicate certificates; on these certificates the Soldier is "entitled to" his discharge, and should also present his discharge to the Paymaster to have the payment enforced on it. The discharge is to be given back to the Soldier by the Paymaster; the latter only retaining as his voucher the duplicate certificates.

NOTE 2.—If the Soldier is entitled to pay for the use of his horse, the Company Commander will certify to that fact on the back of both these final statements, and also to the time he has pay due for having been so mounted on his own horse.

NOTE 3.—When a Soldier is furnished with final statements, his descriptive list, if he has one, should be taken up by the officer who gives the Soldier these statements, and endorsed with a statement to this effect by the officer. This endorsement should exhibit a full statement of the time for which the Soldier was allowed pay on his final statements, the clothing account, and all other charges against him or in his favor, so as to comprise a complete exhibit of his account. It will then be transmitted to the company commander of the Soldier, who will enter all the data necessary to a full understanding of the Soldier's account on the muster roll upon which the Soldier's discharge is reported. The descriptive list will then be destroyed. The object of this is, that the remaining portion of the Soldier's account may be settled upon the receipt of these muster rolls, and the Soldier receive any pay or allowances that may be due him at the time of his discharge, and which may not appear on his final statements from the fact that his descriptive list is incomplete. These accounts for back pay, &c., are settled by the 2d Auditor of the Treasury Department.

NOTE 4.—Charges for loss or injury to ordnance, horse equipments, and other miscellaneous charges, should appear under the heading of "Other Stoppages."

NOTE 5.—Bounty paid by State authorities, and not by the United States, will not be entered on this statement.

NOTE 6.—Amounts due the Soldier and his family must be entered on the muster roll on which the discharge, or description, &c., is reported, as well as on the final statement, otherwise the amount cannot be collected from the United States.

NOTE 7.—This blank will be used for deceased volunteers and drafted men, as well as for others.

NOTE 8.—Where a Soldier dies in Hospital or on detached service, his descriptive list, if he has one, should be sent with his final statements, in duplicate, to the Second Auditor, Washington, D. C.

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (not the recruiting officer) to the Adjutant General, and one to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.  
NOTE 2.—An enlistment holds to service. A master-in-must, in all cases, precede payment of pay, bounty, pension, &c. A master-in-roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.

The Reminding, H. L. J. S.  
10th. H. L. J. S.

Colonel,

Reminding is slow business at this point -  
With the exception of three or four more I hope are getting  
ready to enlist I do not think we will recruit any more  
in this district - I am well acquainted in Adams  
County and think perhaps more so than I might raise  
a whole man - I have just heard a letter from a friend  
who says if I will come up that I can probably get  
a number of men in the Northern part of the county -  
With your permission I would like to go up to Adams  
County and see what can be done - During my absence I  
can feel quite quiet - that all will be safe here - is charged  
of George Reed - who is one of my party - I would not ex-  
pect to be absent more than ten days so there would  
be no difficulty about reports or returns.  
If I can go and if proper - please let me know and send  
transportation to Knoxville - Adams County.

I am Colonel

Very Resptl.

By  
an advertisement in the "Press" of Philadelphia  
I see you express your willingness to give full  
information on all matters connected with  
this branch of the service.

Will you have the kindness to inform me as  
to the proper steps to be taken to procure a  
Commission in the "Corps d'Artillerie".

The Regiment to which I belong although  
now in the Dep: of Tennessee has been, only  
temporarily transferred from the Dep: of the  
Missouri to which it is attached. It was  
ordered to Columbus Ky - from New Madrid  
Mo, to which post it had been assigned &  
to which we expect to return in a few days.  
A month or more ago while at New Mad-  
rid in connection with Serg: Walter B. Ap-  
pleby, of Co. A., I made application to Maj:  
Gen. Schofield, Command: of Dep: of Missouri  
for permission to recruit a Company of col.

and Troops. The Application was approved & recom-  
mended by the Col. Commanding the Regt & the  
Commander of the Fort. If this Application  
I have heard nothing & I presume there  
was something informal in the matter - If  
you will give me the necessary informa-

Some time

from my Col. to visit

caught by the secessionists: I took

an oath not to fight against

them any longer: but when

I got back to my regiment

my Colonel refused to give

**The Adjutant General's Office,  
WAR DEPARTMENT,**

Washington, December 17, 1912.

It has this day (December 17, 1912,) been determined by this Department from the records and from information furnished by the Auditor for the War Department that the above named soldier was discharged, the service February 24, 1863, at Brooklyn, Mo., by reason of disability resulting from chronic dist. rhoea of over three months duration, and bronchitis; that the charge of desertion standing against him is erroneous, and that a review of the records as indicated that he was in service of Wm. Gibson

Ter February 24, 1863,  
is also erroneous.

As he was subsequently restored to duty by

competent authority,

without trial, but upon conditions which appear to have been complied with (so far as not waived by the Government), the charge of desertion no longer stands against him. The record of the fact that he was absent

(ORDERS.)

This application should be addressed to the commanding officer of the Regiment, and if approved by him, forwarded to District Headquarters.

Furloughs are made out only on the approval and request of the commanding officer of the Regiment or Battery. Enlisted men sick in General Hospital or upon detached service, will receive furloughs in the proper proportion, upon the recommendation of the officer in charge of detachment, etc., and Regimental Commanders cannot include such absent men in estimating the five per cent. to be furloughed from the Regiment.

Mr Samuel J. Kirkwood.

Dear Sir: you will find enclosed a number of letters from Angeline Stufflebeam to myself. She is a cousin of mine and we had been corresponding in a friendly manner and taken the liberty inquire into her notions and the consequences was I got the letters you find enclosed. - the first one of the kind I got was wound up with "Hurraa for Jeff Davis." I was so disgusted that I burned it and answered it <sup>with</sup> considerable severity. You will readily see that the letters are not all the same handwriting and I am confident some man <sup>are</sup> persons is, at the bottom of all this disloyal and treasonable language. Her father's name is Joshua Stufflebeam; they live in Bremer Co. one mile from ~~the~~ Hawley Iowa. And if you can detect them and bring them to justice you will very much oblige your fellow Countryman

Major Genl Curtis

My Dear Sir.

I wish to press upon your attention a matter of great and immediate importance in connection with the local administration of Arkansas, and also to take the liberty of recommending to your favorable consideration in connection with the work to be done a friend and officer of whose merit you have already had ample testimony in a similar field here in Missouri.

You are aware that the present Military Governor of Arkansas not less than his Secretary on whom the duties now temporarily devolve are both if not avowedly hostile to the policy of the Administration and any carrying out of the Proclamation of Jan 1<sup>st</sup> 1863 as also

the Confiscation Act of the last session of Congress, ~~was~~ yet so undemonstrative and indifferent, that assuredly no fruit will come of the measures of Freedom under their administration. So far it has been impossible to get even an election held in those districts occupied by our armies, altho such was known to be the wish, if not the positive order of the President. I submit to you therefore the necessity of organizing forthwith the Provost Marshall System throughout that State for the purpose of taking cognizance of & reorganizing the Union sentiment that may be formed, as well as of putting in force in Arkansas as soon as practicable ~~the~~ the Proclamation and Confiscation Act. If this be delayed we are likely to have brought into Mo for payment under the Ten Million Bill many Slaves of Rebels, entitled to their freedom in Arkansas. This should be

provided against before the danger assumes  
any magnitude. Furthermore the enforce-  
ment of the South of the Free Policies of  
the Nation promptly will do much to further  
the more peaceful remedies by which we  
expect to rid ourselves of the institution here.  
This can be best done by the appointment of  
a "Provost Marshal General" for Arkansas  
with authority to appoint assistant & local  
Provost Marshalls as fast as the country is  
occupied. Thus all the needful authority to  
enforce the liberation of the Slaves will not  
only be confided to reliable officers who will  
see the work done; but it will be done  
through subordinates reporting directly to  
yourself, and any incompetency or unwillingness  
to act on the part of Governor or Secretary will  
be remedied.

Having said thus much let me urge upon  
you to give this position as a matter of  
trust to Lieut Col Mills, who as you know  
and as I know is well qualified in every

may for the appointment. He has eminently  
the tactical & political sagacity necessary  
in dealing with the populations there &  
then his feelings are enlisted, and his  
experience here in Missouri points him  
out especially for that post & line of duty.

I think from a most intimate knowledge  
of Southwest Missouri, the field of his  
late operations that in his position there  
he contributed as much as any man  
in the state to produce the now striking  
accord between the manifested popular  
feeling and the ground assumed by the  
administration. You will understand that in  
this I do not allude to mere partisan triumphs  
or defeat, but to those wide bases of political  
affinity that must go hand in hand with military  
success & occupancy. If I did not feel so  
keenly on this subject - I <sup>would ask</sup> ~~ask~~ pardon for this  
intrusion, but believing the action & selection named,  
will be productive of much immediate good I submit  
the matter to your judgment <sup>entirely</sup> ~~by far~~ <sup>in your</sup> ~~consideration~~  
Your friend W. H. R. <sup>W. H. R.</sup>

Major General Curtis

Comdg Dept. of the Mr.

Sir:-

I respectfully request that I  
may be assigned to duty as  
Provost Marshal of Arkansas,  
and incline for your consid-  
eration, recommending  
communications from Col.  
B. Gratz Brown, Brig. Gen. E. B.  
Brown and Col. J. M. Richard-  
son. Also from Maj. H. H. Stark.  
To these I could have added  
those of numerous other officers  
and civilians whose wishes  
and opinions are entitled

to respect, but unless I totally misapprehended the purport of the remarks which you made in the interview which I had with you on my arrival from Springfield, they are unnecessary, and I have therefore omitted them.

I think that without being guilty of undue self-praise I may say that my past services furnish evidence that I possess the necessary energy and ability, - that I am thoroughly and heartily devoted to the free policy of the administration and should not fail to give it its full effect wherever feasible. To this, it may be added that I have experience which cannot fail to prove valuable in the position alluded to.

In the interview referred to, you spoke of my presence being required with my Regt. It is certainly true that during your campaign in S. W. Tex. and Arkansas, the Regt. was your frequent prize for its efficiency, though at that time every one of its field and staff officers was detailed on special duty by yourself, and had no personal control or supervision of the Regt. At the present time, the Regt. is in no worse condition for field officers and is better off in that it is under the immediate eye of its Col. in whose Division it is. Since the conversation with you I have investigated as far as feasible the trouble to which you alluded. I am satisfied, first that it has arisen from a personal influence which is now removed, and second, that such dissatisfaction

as exists among the privates, arising  
from the absence of their company  
officers. to whom they are accustomed  
to look directly for the care which  
they need. If these officers could be  
returned to their commands I am  
confident the Regt. would be restored  
to its former efficiency. In another  
communication addressed to  
your Adjutant I have specified  
the names of absentees, and asked  
for their return. The new major  
of the Regt. is a capable and effi-  
cient officer. In urging his recent  
appointment I informed him of  
the informal application I had  
made to you, - of the objection you  
had made, and that it might be  
necessary that he should resign  
the Regt. I am, General

Most truly, your Obedt Servt

I am requested by Col. Sanders Provost Marshal General of the Department of the Missouri, to request in his name and in that of Maj. Genl. Rueschang Comdg. that Dept, that I may be ordered to report to Genl. Rueschang, and I hereby make the request. The object is to enable me to accept the position of Provost Marshal of Northern Mo.

I am anxious that this request should be granted on account of the state of my health. As you are personally aware I have been almost as sick leave given for chronic diarrhea contracted in active service. I have become exceedingly debilitated and one of my lungs affected with tubercles, to such an extent that Surgeon Simmons, U.S.A. has

examined me in N.Y. assured me that  
service in a Southern climate during  
the summer months would almost  
certainly prove fatal. In view of this  
fact, and also because I have been  
in the service as private or officer  
since April 1861, I request that I  
may be permitted to continue this  
opportunity to do service in a climate  
so far North as to hold out a prospect  
of my restoration to health to an extent  
to again enable me to take the field.

Apart from the great weight which your name would bear under any circumstances, I am informed that it is especially desirable that I should obtain the endorsement of all the officers under whom I have served, and our Regt. has been under your orders, from a time prior to its being mustered into service.

If you can consistently with your opinion on the subject, give me a line of recommendation I shall be under great obligations to you -

I respectfully ask a leave of absence, and  
call your attention to the inclosed  
Certificate of disability.

The order to join the expedition from which we  
are now returning found me ill at Paris.  
From my exposure in Genl. Smith's Campaign  
against the advice of my surgeon I accom-  
panied my Regt. and have been under great  
strain, during all this time my wounds have  
gained ground, and now that it has been an-  
nounced in orders that the object of the ex-  
pedition are fully and successfully accom-  
plished I feel that I may properly request a  
leave of absence to recruit my health.

Permit me to ask, that (if not thought  
unproper) the leave, if granted may take  
effect from my arrival in Vicksburg.

March 6<sup>th</sup> 1864

Col T. H. Harris

Sir

I have the honor to respectfully request that John Mitchell a Musician in the 24 Mo Regt of Inf-Vols be detailed as orderly at the Headquarters of Brig Genl Hugh T Reid Commanding District of Cairo

My reason for making the above application is, that I being the Guardian of John Mitchell, and being a member of Genl. Reid's Staff, I shall thereby have an opportunity to regulate to a greater extent his moral conduct than his officers could in the field.

He is not yet 13 years old and has been in the service nearly 2 years. He of course enlisted without my consent. Though I am willing to have him remain, as I have no home for him. My property and home in Bloomf<sup>rd</sup> Mo. being destroyed by the Confederates

At the time of his enlistment I was  
Stationed at Corinth, previous to that my wife  
was taken prisoner by Jeff Thomson's band  
and while a prisoner John Mitchell left  
his home and wandered to Cape Girardeau  
Mo. from thence into the interior, and took  
up with the 24<sup>th</sup> Mo Regt.

Brig Genl Reid  
recommended before I left Cairo, to make this  
Application, and if granted will meet his views  
Col J. H. Mills of the 24<sup>th</sup>  
with whom I have had a conversation very  
kindly gave his consent and hoped the boy  
could be put into my charge.

I am with high respect—  
Yours obedt servt—  
Joseph W. Mitchell  
Co F 2<sup>d</sup> Ills Artillery  
and Aid-de-Camp—  
with Brig Genl H. Reid

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier: the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as  $\frac{1}{2}$ ,  $\frac{3}{4}$ , &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps department, or other commander or officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; see that the soldier is furnished with the proper final statements in duplicate, and forward BOTH of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

NOTE 1.

The company commander will here add a statement of all the facts known to him concerning the disease or wound, or cause of disability of the soldier; the time, place, manner, and all the circumstances under which the injury occurred, or disease originated or appeared; the duty, or service, or situation of the soldier at the time the injury was received or disease contracted, stating particularly whether the injury was received or the disease contracted in the line of his duty; and whatever other facts may aid a judgment as to the cause, immediate or remote, of the disability, and the circumstances attending it.

When the facts are not known to the company commander, the certificate of any officer, or affidavit of other person having such knowledge, will be appended—as the surgeon in charge of a hospital, the officer commanding a detachment of recruits, &c., &c.

NOTE 2.

When a probable case for pension, special care must be taken to state the degree of disability—as *l. s.*, &c., &c.; to describe particularly the disability, wound, or disease; the extent to which it deprives him of the use of any limb or faculty, or affects his health, strength, activity, constitution, or capacity to labor or earn his subsistence. The surgeon will add, from his knowledge of the facts and circumstances, and from the evidence in the case, his professional opinion of the cause or origin of the disability. In the case of discharges by Medical Inspectors, the last paragraph will state that the "discharge was given by consent of the soldier, after a personal examination, and for disability, the nature, degree, and origin of which are correctly described in the within certificate."

Par. 1260 Regulations, Edit. 1861.

Medical officers, in giving certificates of disability, are to take particular care in all cases that have not been under their charge; and especially in epilepsy, convulsions, chronic rheumatism, derangement of the urinary organs, ophthalmia, ulcers, or any obscure disease liable to be feigned or purposely produced; and in no case shall such certificate be given until after sufficient time and examination to detect any attempt at deception.

DIRECTIONS.

This certificate will be made out in duplicate by the soldier's company commander, or other officer commanding the separate detachment to which he belongs, and sent by him to the surgeon who has charge of the hospital where the soldier is sick. The surgeon will then fill out and sign the surgeon's certificate, and forward these papers to the regimental, detachment, or post commander, who will forward them, with his action endorsed thereon, through the proper channel, to his division commander; or, if the troops are not attached to a division, to his corps, department, or other commanding officer to whom the authority to discharge enlisted men may be specially delegated.

These certificates, after having received the action of the highest authority to which they are required to be sent, will be returned through the same channel to the regimental, post, or detachment commander, who will, if the discharge is authorized by the endorsement of the proper authority, sign the soldier's discharge, and the last certificate on this paper; and that the soldier is furnished with the proper final statements in duplicate, and forward both of these certificates direct to the Adjutant General United States Army, at Washington, D. C.; they will not, under any circumstances, be given into the hands of the soldier.

**War Department,**

Adjutant General's Office,

Washington, Aug. 12, 1887.

"This man deserted on or about December  
23", 1862, and was arrested  
on or about August 31<sup>st</sup>, 1863.

As he was subsequently restored to duty by com-  
petent authority  
without trial, but upon conditions which appear to have  
been complied with (so far as not waived by the Gov-  
ernment), the charge of desertion no longer stands  
against him. The record of the fact that he was absent  
in desertion from on or about December 23  
1862, to on or about August 31<sup>st</sup>, 1863,  
cannot, however, be expunged."

NOTE 1.—This blank will be used for both enlistments and re-enlistments—enlistment of veterans, &c., &c., in the volunteer service. They will be made out in duplicate in all cases—one to accompany the recruiting return of the superintendent (see the recruiting officer) to the Adjutant General, and the other to accompany the accounts of the officer who pays bounty, &c. The Regiment and Company in which the soldier last served should be given on the back.

NOTE 2.—An enlistment holds to service. A muster-in must, in all cases, precede payment of pay, bounty, pension, &c. A muster-in roll must, in all cases, be filed in the Adjutant General's Office as evidence of muster-in. The recruiting officer, commissary, or assistant commissary of musters, as the case may be, will countersign both enlistments as having mustered the soldier into the service of the United States before either of them is given to the disbursing officer.
